

# **Best Wishes for the Class of 2008!**

***Grantsburg, WI - May 21, 2008 -***

Best Wishes for the Class of 2008!

During our Face 2 Face orientation sessions last August we centered many of our conversations on how the families and students of Insight School of Wisconsin could very well consider themselves pioneers. We have had many firsts this year and also have learned much about our students and how to serve our families. Nothing however is more exciting than recognizing our first ever graduates from Insight School of Wisconsin.

We want to take the time to invite all of our families, students, and friends to our 2008 Commencement Exercises to be held on June 1, 2008 on the University of Wisconsin Stevens Point Campus at 1:00 PM. During our commencement exercises we will also take the time to induct our 2008 National Honor Society Members and recognize them for a job well done. Words of inspiration will be provided at our graduation ceremony by our 2008 commencement speaker, Representative Brett Davis, and we are look forward to his comments and encouragement for the class of 2008.

Finally, following our graduation exercises, all of those in attendance are invited to take part in our first ever all-school picnic as a chance to socialize, meet students, and wish the class of 2008 well! Hope all of our students and families take the time to attend and we thank you all for a great first year at Insight School of Wisconsin.

Jeff Bush  
Executive Director  
Insight School of Wisconsin
