

2007-08 Course Catalog Released

GRANTSBURG, WI - May 22, 2007 -

Insight School of Wisconsin – a full-time, diploma-granting, online public high school – released its course catalog for the 2007-08 School Year. The catalog is comprised of over 130 courses that support six academic tracks: AP, honors, college prep, career prep, foundation learners, and English as a Second Language (one year). The catalog consists of courses in all the core academic areas plus a wide choice of electives.

The catalog was designed to draw from the best online high school courses that are available today, subject to meeting Insight criteria of being academically rigorous and engaging to high school students, meeting state standards, containing real-world applications, and using multimedia and Internet resources to enhance and extend learning experiences.

In releasing the catalog, Rebekah Richards, Insight Schools Director of Curriculum and Instruction, said, “We’re thrilled to offer our students one of the broadest and deepest high school course catalogs in the country. By speaking to the interests, skills, background, and future plans of a wide variety of students, these engaging, relevant, outcome-oriented courses help us celebrate each student’s unique characteristics.”

Insight School of Wisconsin will open its ‘virtual doors’ on September 4, 2007. The Wisconsin Open Enrollment Period for the 2007-08 School Year took place February 5th through February 23rd, 2007. Interested students who are not currently enrolled may consider enrolling for the 2008-09 School Year.
